## **LED Roadside Sign Use Policy**

### **Content**

Beginning January 1, 2021, The primary purpose of the permanent LED Roadside Sign is for Claridon Township Government to share information, encouragement and cheer with the Claridon residents.

The Claridon Township Board of Trustees, at their sole discretion, may or may not allow, upon certain occasions, shared information on behalf of Claridon Township Churches and Charities for Claridon Residents. Examples of such occasions may be for fund raisers or benefit events which benefit Claridon Residents.

All content shall be in good taste within the scope of traditional American values.

### **Scrolling Content**

For the safety of motorists, scrolling content is strictly prohibited.

### **Flashing Content**

For the safety of motorists, flashing content of any kind is strictly prohibited.

### **Changing Content**

For the safety of motorists, there shall be no more than one screen in view per every 30 minutes.

### **Amount of Content Per Screen**

Understanding a practical limited amount of content on a single screen for the safety of motorist is subjective, the purpose of this portion of this policy is to simply bring awareness of the importance of motorists safety.
