

Greetings Claridon!

You are signed up to receive Township news and notes up to four times annually. For that, I thank you! Communication is key to a successful township. There are over 200 residents on this email list which means, there are about 2,500 more to go so, please pass this opportunity on to your Claridon family, friends and neighbors. They can contact me any time.

Invitation to join a group

These are informal groups and a great way to casually be a part of our community. It's not much of a commitment because of its informality and the fact that you do what you can, when you can. Consider joining one or more. Go to our Town's website for more information

Claridon History Group

Claridon Events Group

Claridon Cemeteries Preservation and Beautification Group

There is an architect who has a special personal interest in historic buildings, especially mausoleums. I've been wanting to do something special with our mausoleum in Center Cemetery. We would love to spruce it up, fix certain spots and perhaps turn it into a Claridon Center Cemetery history room. Of course, that's not final. That's why we need to hear from you! If you are interested in taking a look at the mausoleum and getting involved with the thinking of what to do with it, let me know. I'll put a date and time together where we all can meet there together.

Township Logo

Claridon has a slogan, "Claridon Township, Land of Steady Habits" however, we do not have a logo. If creating a logo energizes you, feel free to contact me and attempt to create one or some.

A couple things to be Aware of

Although we don't have an exact date, we will have a new recycling center. It will be located on Merritt Road in Claridon. We anticipate the opening of the new facility will be late spring or early summer. Once we know the exact date. We'll post it on the Town website

Recreation Park on 608 will be opened for the season beginning April 1. The park season is April through October

The reason Claridon is a great community is because of the people. As I got to know more and more of my fellow Claridonites, the more I've grown to love this township. Please don't hesitate to contact me or any of my fellow trustees should you have any questions, concerns or insights regarding our community. As a reminder, Township meetings are scheduled for the 1st and 3rd Mondays of each month with a 6:00p start time. Consider attending to learn more about how our township operates and the challenges we face.
